

City Mission 

# Supplies Program

Even though summer is just starting, we know that fall will be here before you know it! One important resource that the Schenectady City Mission is able to offer families that may be struggling financially in the fall is the **back-to-school supplies program**. Last year nearly 600 kids receive brand new backpacks and school supplies for the new school year!

**The following supplies can be dropped off in the baskets in the Fellowship Hall by August 12th to allow enough time to create and distribute the backpacks before September.**
