### FRIENDS

Is there someone in your life who is hesitant about camp? Bring them along! It's a great way to get your feet wet! If a child is younger than 2nd grade, we ask that a parent accompany them

### VOLUNTEERS

Volunteers, this is a great way to get to know some of the campers who might be coming the same week as you this summer! We'd love to have you join us!

### PARENTS

Feel free to join us for the afternoon (or talk with us about any questions you have) or drop your kids off and pick them up at the end--either way is good with us!
